On Monday, Tuesday, Thursday, and Friday, the Synchronous class days, students will be expected to meet online with their teacher during the scheduled class time. Classes will meet through Zoom links which will be found in each Canvas course. The class period on these days will be split into synchronous as well as asynchronous student work time.

During Wednesday's Asynchronous class time, students will be working online on individual lessons provided in Canvas, as teachers will be in meetings, professional development, and collaborations with their departments.

If there is a school holiday, the week's schedule may change to allow four synchronous class days.
